Sir,

Subject - Embezzlement of Municipal Money in the Bowringpet Municipal Office

- o -

In continuation of my letter of even number dated 16-4-1942 on the above subject, I have the honour to forward herewith the entire correspondence ending with Bowringpet Municipal President s letter No M C 93/41-42 dated 23/5/1942 for kind perusal It is seen from the records that the conservancy Clerk obtained two receipt books No 4726 and 4727 on 13/2/1942 and issued receipts in both the books He credited the amounts for which he had issued receipts in Book No 4726 and did not remit the money amounting to Rs 28-15-9 collected from 10-2-1942 to 27-2-1942 in Book No 4727 This amount was however credited on 14/3/1942 after pressure was put on the official

The Second Clerk in his explanation has stated that on 13/2/1942 the conservancy cess clerk came to the office when he was busy in counting the money and asked for a fresh book, that he was the only clerk in charge of the office and busily engaged with cash remittance he gave the key of the Almirah with instructions to take only one book and that the conservancy clerk showed book No 4726 and has removed the Book No 4727 also without his knowledge

The conservancy cess Clerk has stated in his explanation that he took two books from the office as there would be heavy collection in the month of February 1942 and that he issued receipts from the two receipt books and that the amount contained in the receipt book No 4727 was not credited as the amounts were not actually received

The President has opined that it was the duty of the second

Clerk to see that the previous book was returned to the office before issuing a fresh receipt book and that it is a grave - irregularity on the part of the Second Clerk

I am convinced that the Conservancy Cess Clerk has deliberately taken two receipt books simultaneously with the intention of - defrauding He is no doubt liable for Criminal prosecution But, in view of his young age and also in view of the fact that this is the first offence, a lenient view has been taken and he has been reduced to a Dafterbund's place in a Taluk office for one year which carries a pay of Rs 13/- with no monetary responsibility

The Second Clerk is fined Rs 5/- for negligence

The file of correspondence is herein enclosed for favour of reference
